*Neerjy on the job*

Lifts **weight** the easy way

The public cloud promise

MyMeedia

<https://mymedia.com>

*Neerby on the job*

*Lifts weight the easy way*

The public cloud promise

But “no one size fits all”

and

there is no easy way

MyMeedia

*Neat on the job*

*Lifts weight the easy way*

The public cloud promise

But “no one size fits all”

and

there is no easy way

The private cloud reality
